

Rehabilitation of the 8th Street Bridge over Shamokin Creek

Project By

Partners

Survey QR

Public Survey

Northumberland County in partnership with PennDOT Engineering District 3-0 is conducting public outreach for the rehabilitation of the 8th Street bridge over Shamokin Creek in the City of Shamokin, Northumberland County. An important part of this outreach includes feedback from the local school district, municipality, emergency services, and property owners.

Please use this form or the QR Code above to provide important information about your property, facility or service, or access considerations and any comments or concerns. If you have a concern about a specific bridge related issue, please reference it below in the comments. Surveys must be returned by December 6, 2024. Thank you for your time.

1. Do you live within approximately 2 miles of the project? (Circle Y or N)
2. Do you regularly (few times a month) traverse the existing roadway? (Circle Y or N)
3. What deficiencies most concern you? (Circle all that apply)

Intersection Alignment	Pedestrian Access	Flooding	Shoulders	Business Access	Other (Provide Below)
---------------------------	----------------------	----------	-----------	--------------------	--------------------------

Other
Description:

4. Do you have any concerns about the proposed project? (Circle Y or N)
Write concern here:

5. Do you have any concerns about the proposed construction schedule? (Circle Y or N)

Write concern here:

6. Do you have any concerns about the proposed detours? (Circle Y or N)

Write concern here:

7. Do you have any additional specific comments, concerns or questions? (Circle Y or N)

Please list them and the project team will get back to you. Provide your contact information below.
