**Ordinance Reference Information – City of Shamokin Codes Chapter 127**

**License required.**

No person shall have at any time in his possession within the City of Shamokin any mechanical amusement devices upon which games are played or activities are conducted through the insertion of a coin, metal disk, slug, token or otherwise activated through exchange of legal tender or other manner without first having procured a license as provided in this chapter.

**Certificate of license.**

A. Upon payment of the license fee, the City Clerk shall issue a certificate of license setting forth:

- (1) The name of the City.
- (2) The number of the certificate.
- (3) The name and address of the person responsible for the license
- (4) The number of mechanical amusement devices relating to the license

B. The person to whom the license certificate is issued shall display said license certificate in a prominent manner within the premises licensed so that it may be clearly identified upon inspection.
